

HUD: CoC Program Specific

The elements shown are only those in which least one CoC program component is required to collect information.

X = data collection is required

* = data collection is required only for Supportive Services Only components which are funded to provide Street Outreach

? = data collection is determined by how the CoC has structured the coordinated assessment in their area. Placement of the element would be required for any project that is conducting a coordinated assessment. This may be across multiple projects or sited in a central access point or coordinated intake center.
